

IMPORTANT NOTICE

Subject: Adaptive Equipment

November 12, 2015

Vehicles with adaptive (handicap) equipment installed and financed with the vehicle at the time of purchase are eligible for GAP coverage on the GAPWise 150GW_FG121 and 125 GW_FG120 contracts. There are no special requirement(s) or surcharges for these type of vehicles, please refer to GAP Addendum contracts for vehicle type and program eligibility.

Examples of adaptive equipment added to vehicles: wheelchair lifts; restraints; seating; stanchion poles and grab bars; oxygen tank holders; door grabbers; modesty panels; wheelchair storage; SmartFloor; and FlexFlat Ramp System.
